Do you believe in change?
Do you believe in the words on this page?
Do you believe in song?
Do you believe in right and wrong?

Do you believe in laughs?
Do you believe in crying, eyes widening?
Do you believe in love?
Do you believe in peace? Or God?

Do you believe in me?
Do you believe in you?
Do you believe in little things?
Do you believe in better things?

Do you believe in change?
Do you believe in change?

Do you believe in a plan?
Do you believe in a long-haired man?
Do you believe in riddles?
Do you believe in trifles and fribbles?

Do you believe in time?
Do you believe in the mind?
Do you believe in dreams?
Do you believe in lands unseen?

Do you believe in life?
Do you believe in the soul?
Do you believe in law?
Do you believe in heaven? Or hell?

Do you believe in change?
Do you believe in change?

Do you?
