

## Newlyweds

*Ian Forsyth*

I think I remember the sexiest thing  
We've ever done in bed  
In those first few months.  
We heard each others jokes  
New humor, new thresholds  
Laughing too hard  
Our ribs wrinkled  
Our bladders almost burst  
Quick!  
Out of bed!  
Racing to the toilet.  
You won, and peed  
I watched, then peed  
Waiting for the other  
Watching something new  
The waiting was funny  
The funny was sexy
